payment for future utility services. In support of this motion, the Debtors respectfully state as follows.²

Jurisdiction

1. The United States Bankruptcy Court for the Eastern District of Virginia (the “Court”) has jurisdiction over this matter pursuant to 28 U.S.C. §§ 157 and 1334. This matter is a core proceeding within the meaning of 28 U.S.C. § 157(b)(2).

2. Venue is proper pursuant to 28 U.S.C. §§ 1408 and 1409.

3. The statutory bases for the relief requested herein are sections 105(a) and 366 of the Bankruptcy Code, Rule 6003 of the Federal Rules of Bankruptcy Procedure (the “Bankruptcy Rules”), and Rule 9013-1 of the Local Rules of the United States Bankruptcy Court for the Eastern District of Virginia (the “Local Bankruptcy Rules”).

Relief Requested

4. By this motion, the Debtors seek entry of the Order (a) determining that the Utility Providers (as defined herein) have been provided with adequate assurance of payment within the meaning of section 366 of the Bankruptcy Code, (b) approving the Debtors’ proposed offer of adequate assurance and procedures governing the Utility Providers’ requests for additional or different adequate assurance, (c) prohibiting the Utility Providers from altering, refusing, or discontinuing services on account of prepetition amounts outstanding and on account of any perceived inadequacy of the Debtors’ proposed adequate assurance, and (d) determining

² A detailed description of the Debtors and their businesses, and the facts and circumstances supporting this motion and the Debtors’ chapter 11 cases, are set forth in greater detail in the *Declaration of Stephen D. Satterwhite, Chief Financial Officer and Chief Operating Officer of AMF Bowling Worldwide, Inc., in Support of the Debtors’ Chapter 11 Petitions and First Day Pleadings* (the “First Day Declaration”), filed contemporaneously with the Debtors’ voluntary petitions for relief filed under chapter 11 of title 11 of the United States Code (the “Bankruptcy Code”), on November 12, 2012 (the “Petition Date”).

that the Debtors are not required to provide any additional adequate assurance beyond what is proposed by this motion.

The Debtors' Utility Providers

5. As set forth in the First Day Declaration, in the ordinary course of business, the Debtors incur expenses for water, sewer, electric, natural gas, telecommunications, and waste removal utility services provided by approximately 400 utility providers (collectively, the "Utility Providers"). A list of the Utility Providers who render services to the Debtors as of the Petition Date is provided on **Exhibit 1** to **Exhibit A** attached hereto (the "Utility Service List").³

6. On average, the Debtors have spent approximately \$2.15 million each month on utility costs calculated over the past twelve months. Such services are essential to the Debtors' ongoing operations and, therefore, to the success of their transition into chapter 11. Any interruption of utility services—even for a brief period of time—would negatively affect the Debtors' operations, customer relationships, revenues, and profits, thereby seriously jeopardizing the Debtors and their estates and, ultimately, the Debtors' enterprise value and creditor recoveries. It is critical that utility services continue on an uninterrupted basis during the chapter 11 cases.

I. The Proposed Adequate Assurance.

7. The Debtors intend to pay postpetition obligations owed to the Utility Providers in the ordinary course of business. The Debtors expect that their cash flow from operations, cash

³ Although the Debtors believe that the Utility Service List includes all of their Utility Providers, the Debtors reserve the right to supplement the Utility Service List if any Utility Provider has been inadvertently omitted. Additionally, the listing of an entity on the Utility Service List is not an admission that such entity is a utility within the meaning of section 366 of the Bankruptcy Code, and the Debtors reserve the right to contest any such characterization in the future.

on hand, and postpetition financing will be sufficient to satisfy postpetition obligations related to their utility services.

8. Nevertheless, to provide additional assurance of payment for future services to the Utility Providers, the Debtors propose to deposit \$1.075 million (the “Adequate Assurance Deposit”), into a segregated, interest-bearing account (the “Adequate Assurance Deposit Account”) within 3 business days following entry of the Order. The amount of the Adequate Assurance Deposit approximately equals the estimated aggregate cost for two weeks of utility service, calculated as a historical average over the past 12 months. The Adequate Assurance Deposit will be held for the benefit of Utility Providers during the pendency of the chapter 11 cases. If any Utility Provider believes that additional assurance is required, that Utility Provider may request such assurance pursuant to the procedures set forth below.⁴

9. The Debtors further propose that by failing to object to the proposed Adequate Assurance Deposit pursuant to the procedures set forth below, the Utility Provider shall be deemed to have (a) stipulated that the Adequate Assurance Deposit constitutes adequate assurance of payment to such Utility Provider within the meaning of section 366 of the Bankruptcy Code, and (b) waived any and all rights to seek additional or different adequate assurance during the course of the chapter 11 cases.

10. The Debtors submit that the Adequate Assurance Deposit, in conjunction with the Debtors’ demonstrated ability to pay for future utility services in the ordinary course of business (together, the “Proposed Adequate Assurance”), constitutes sufficient adequate assurance to the Utility Providers.

⁴ The Debtors further request that any Adequate Assurance Deposit required by, and deposited into the Adequate Assurance Deposit Account on behalf of, any Utility Provider pursuant to the procedures described herein be returned to the Debtors promptly upon the earlier of: (a) the Debtors’ termination of such Utility Provider’s services; or (b) the conclusion of the chapter 11 cases.

11. Moreover, in light of the severe consequences to the Debtors of any interruption in services by the Utility Providers, while at the same time recognizing the right of the Utility Providers to evaluate the Proposed Adequate Assurance on a case-by-case basis, the Debtors propose that the Court approve and adopt the following procedures (the “Adequate Assurance Procedures”):

- a. Within three business days after entry of the Order, the Debtors will mail a copy of the Order to the Utility Providers on the Utility Service List.
- b. If a Utility Provider is not satisfied with the Proposed Adequate Assurance and seeks additional assurance of payment in the form of deposits, prepayments or otherwise, such Utility Provider must serve a request (an “Additional Assurance Request”) upon: (i) AMF Bowling Worldwide, Inc., 7313 Bell Creek Road, Mechanicsville, Virginia 23111, Attn.: Dan McCormack (dmccormack@amf.com); (ii) proposed co-counsel to the Debtors, Kirkland & Ellis LLP, 601 Lexington Avenue, New York, New York 10022, Attn.: Joshua A. Sussberg (joshua.sussberg@kirkland.com), and Kirkland & Ellis LLP, 300 North LaSalle, Chicago, Illinois 60654, Attn.: Jeffrey D. Pawlitz (jeffrey.pawlitz@kirkland.com) and Michael W. Weitz (michael.weitz@kirkland.com); and (iii) proposed co-counsel to the Debtors, McGuireWoods LLP, One James Center, 901 East Cary Street, Richmond, Virginia 23219, Attn.: Sarah B. Boehm (sboehm@mcguirewoods.com) (collectively, the “Notice Parties”).
- c. Any Additional Assurance Request must: (i) be made in writing; (ii) set forth the location for which utility services are provided; (iii) include a summary of the Debtors’ payment history relevant to the affected account(s), including any security deposits; (iv) certify the amount that is equal to two weeks of utility service it provides to the Debtors, calculated as a historical average over the past twelve months; (v) certify that it currently is not paid in advance for its services; and (vi) explain why the Utility Provider believes the Debtors’ Proposed Adequate Assurance is not sufficient adequate assurance of future payment.
- d. Upon the Debtors’ receipt of any Additional Assurance Request at the addresses set forth above, the Debtors shall have twenty-one days from the receipt of such Additional Assurance Request (the “Resolution Period”) to negotiate with such Utility Provider to resolve such Utility Provider’s request for additional assurance of payment.
- e. The Debtors may, in their sole discretion, resolve any Additional Assurance Request by mutual agreement with the Utility Provider and without further notice to or order of the Court, and may, in connection

with any such agreement, in their sole discretion, provide a Utility Provider with additional adequate assurance of future payment, including, but not limited to, cash deposits, prepayments, and other forms of security, without further order of the Court if the Debtors believe such additional assurance is reasonable.

- f. If the Debtors determine that the Additional Assurance Request is not reasonable and are not able to reach an alternative resolution with the Utility Provider during the Resolution Period, the Debtors, during or immediately after the Resolution Period, will request a hearing before the Court at the next regularly scheduled omnibus hearing that is scheduled on a date that is at least 5 business days after the conclusion of the Resolution Period to determine the adequacy of assurances of payment with respect to a particular Utility Provider (the “Determination Hearing”) pursuant to section 366(c)(3) of the Bankruptcy Code.
- g. Pending resolution of any such hearing, the Utility Provider filing such Additional Assurance Request shall be prohibited from altering, refusing, or discontinuing service to the Debtors on account of unpaid charges for prepetition services or on account of any objections to the Debtors’ Proposed Adequate Assurance.
- h. The Proposed Adequate Assurance shall be deemed adequate assurance of payment for any Utility Provider that does not make an Additional Assurance Request.

12. The Debtors further request that, absent compliance with the Adequate Assurance Procedures, the Utility Providers are forbidden to alter, refuse, or discontinue service on account of any prepetition charges, or require additional assurance of payment other than the Proposed Adequate Assurance.

II. Subsequent Modifications.

13. To the extent that the Debtors subsequently identify additional providers of utility services, the Debtors seek authority to amend the Utility Service List to add or remove any Utility Provider. The Debtors further request that the Court make the Order apply to any such subsequently identified Utility Provider, regardless of when each Utility Provider was added to the Utility Service List. The Debtors shall have the period specified in the proposed Adequate Assurance Procedures to seek to resolve any subsequently added Utility Provider’s Additional

Assurance Request by mutual agreement with the Utility Provider without further notice to or order of the Court or to schedule a Determination Hearing with the Court to determine the adequacy of assurance of payment with respect to such Utility Provider in accordance with such Adequate Assurance Procedures.

14. The Debtors request that all Utility Providers, including subsequently added Utility Providers, be prohibited from altering, refusing, or discontinuing utility services to the Debtors absent further order of the Court.

Basis for Relief

I. The Debtors' Proposed Adequate Assurance Constitutes Adequate Assurance of Future Payment as Required Under Section 366 of the Bankruptcy Code.

15. Section 366(c)(2) of the Bankruptcy Code provides that a utility provider may discontinue its services to a debtor if the debtor has not furnished adequate assurance of payment within 30 days after the petition date. Congress enacted section 366 of the Bankruptcy Code to protect debtors from utility service cutoffs upon a bankruptcy filing while also providing utility companies with adequate assurance that the debtors will pay for postpetition services. *See* H.R. Rep. No. 95-595, at 350 (1978), *reprinted in* 1978 U.S.C.C.A.N. 5963, 6306. Accordingly, section 366 of the Bankruptcy Code protects debtors by prohibiting utilities from altering, refusing, or discontinuing services to a debtor solely on account of unpaid prepetition amounts for a period of 30 days after a chapter 11 filing. At the same time, it protects utilities by permitting them to alter, refuse, or discontinue service after 30 days if the debtor has not furnished "adequate assurance" of payment in a form "satisfactory" to the utility provider.

16. Section 366(c) of the Bankruptcy Code also restricts the factors that a court may consider when determining whether an adequate assurance payment is, in fact, adequate. Specifically, courts may no longer consider: (a) the absence of a security deposit before the

debtors' petition date; (b) the debtors' history of timely payments; or (c) the availability of an administrative expense priority when determining the amount of a deposit. 11 U.S.C. § 366(c). Notwithstanding these changes, it does not appear that Congress intended to—or did—abrogate the bankruptcy court's ability to determine the amount of adequate assurance necessary or change the fundamental requirement that assurance of payment must simply be "adequate."

17. Thus, while section 366(c) of the Bankruptcy Code limits the factors a court can consider when determining whether a debtor has provided adequate assurance of payment, it does not limit the court's ability to determine the amount of payment necessary, if any, to provide such adequate assurance. Instead, section 366(c) of the Bankruptcy Code gives courts the same discretion in determining the amount of payment necessary for adequate assurance that they previously had under section 366(b) of the Bankruptcy Code. *Compare* 11 U.S.C. § 366(b) (2005) ("On request of a party in interest and after notice and a hearing, the court may order reasonable modification of the amount of the deposit or other security necessary to provide adequate assurance of payment") *with* 11 U.S.C. § 366(c)(3)(a) (2005) ("On request of a party in interest and after notice and a hearing, the court may order modification of the amount of an assurance payment under paragraph (2).").

18. In addition, it is well-established that section 366(b) of the Bankruptcy Code permits a court to find that no adequate assurance payment at all is necessary to provide a utility with adequate assurance of payment. *See Va. Elec. & Power Co. v. Caldor Inc.-N.Y.*, 117 F.3d 646, 650 (2d Cir. 1997) ("Even assuming that 'other security' should be interpreted narrowly . . . a bankruptcy court's authority to 'modify' the level of the 'deposit or other security' provided for under § 366(b), includes the power to require 'no deposit or other security' where none is necessary to provide a utility supplier with 'adequate assurance of payment.'"). This principle

may be applicable in cases where the debtor has made prepetition deposits or prepayments for services that utilities will ultimately render postpetition. *See* 11 U.S.C. § 366(c)(1)(A)(v) (recognizing a prepayment for postpetition services as adequate assurance). Accordingly, even after the recent revisions to section 366 of the Bankruptcy Code, courts continue to have discretion to determine the amount of adequate assurance payments and, where appropriate, to determine that no such payment is necessary.

19. Finally, section 366(c) of the Bankruptcy Code, like section 366(b) of the Bankruptcy Code, requires only that a utility's assurance of payment be "adequate." Courts recognize that adequate assurance of performance does not constitute an absolute guarantee of a Debtors' ability to pay. *See, e.g., In re Steinebach*, 303 B.R. 634, 641 (Bankr. D. Ariz. 2004) ("Adequate assurance of payment is not, however, absolute assurance . . . a Bankruptcy Court is not required to give a utility company the equivalent of a guarantee of payment, but must only determine that the utility is not subject to any unreasonable risk of non-payment for postpetition services.") (citing *In re Adelphia Bus. Solutions, Inc.*, 280 B.R. 63, 80 (Bankr. S.D.N.Y. 2002)); *see also In re Caldor, Inc.-N.Y.*, 199 B.R. 1, 3 (Bankr. S.D.N.Y. 1996) (section 366(b) "does not require an 'absolute guarantee of payment'"), *aff'd sub nom. Va. Elec. & Power Co. v. Caldor, Inc.-N.Y.*, 117 F.3d 646 (2d Cir. 1997).

20. Courts also have recognized that, in determining the requisite level of adequate assurance, bankruptcy courts should "focus upon the need of the utility for assurance, and to require that the debtor supply *no more than that*, since the debtor almost perforce has a conflicting need to conserve scarce financial resources." *Va. Elec. & Power Co.*, 117 F.2d at 650; *see also In re Penn. Cent. Transp. Co.*, 467 F.2d 100, 103-04 (3d Cir. 1972) (affirming the bankruptcy court's ruling that no utility deposits were necessary where such deposits likely

would “jeopardize the continuing operation of the [debtor] merely to give further security to suppliers who already are reasonably protected”). Accordingly, demands by a Utility Provider for a guarantee of payment should be refused when the Debtors’ specific circumstances already afford adequate assurance of payment.

21. Based upon the foregoing, the Debtors submit that the Proposed Adequate Assurance provides more than adequate assurance of future payment to the Utility Providers. Furthermore, the Debtors expect that their revenue from continued operations, their available cash on hand, and postpetition financing will be sufficient to pay their operating costs, including utility costs, as they come due. In addition, the Debtors’ reliance on utility services for the operation of their business provides them with a powerful incentive to stay current on their utility obligations. These factors, which the Court may (and should) consider when determining the amount of any adequate assurance payments, justify a finding that the Proposed Adequate Assurance are more than sufficient to assure the Utility Providers of future payment.

22. As discussed, section 366 of the Bankruptcy Code recognizes the necessity of continuous utility services and prohibits the Utility Providers from altering, refusing, or discontinuing utility services to, or discriminating against, the Debtors due to either their bankruptcy filing or any outstanding prepetition obligations for a period of thirty days after the commencement of the chapter 11 cases. At the conclusion of that thirty day period, however, a utility company may discontinue services if a debtor has not furnished adequate assurance of payment. 11 U.S.C. § 366(c)(2).

23. The proposed Adequate Assurance Procedures are therefore necessary for the Debtors to carry out their reorganization efforts. If they are not approved, the Debtors could be forced to address numerous requests by their Utility Providers in a disorganized manner at a

critical point in their reorganization. Moreover, the Debtors could be blindsided by a Utility Provider unilaterally deciding—on or after the 30th day following the Petition Date—that it is not adequately protected and discontinuing service or making an exorbitant demand for payment to continue service. Such discontinuation of utility service could put the Debtors’ reorganization efforts in jeopardy.

24. Under the circumstances of the chapter 11 cases, the Debtors believe that the establishment of the Adequate Assurance Deposit, in an amount that is substantial relative to the Debtors’ estimated monthly utilities consumption, constitutes adequate assurance of payment under section 366(c) of the Bankruptcy Code. Courts in this district have regularly granted similar relief to that requested herein in previous chapter 11 cases. *See, e.g., In re Bear Island Paper Co., L.L.C.*, No. 10-31202 (DOT) (Bankr. E.D. Va. Mar. 25, 2010); *In re Movie Gallery, Inc.*, No. 10-30696 (DOT) (Bankr. E.D. Va. Feb. 3, 2010); *In re Ennstone, Inc.*, No. 09-31204 (DOT) (Bankr. E.D. Va. Feb. 27, 2009); *In re S & K Famous Brands, Inc.*, No. 09-30805 (KRH) (Bankr. E.D. Va. Feb. 10, 2009); *In re LandAmerica Fin. Grp., Inc.*, No. 08-35994 (KRH) (Bankr. E.D. Va. Nov. 28, 2008); *In re Circuit City Stores, Inc.*, No. 08-35653 (KRH) (Bankr. E.D. Va. Nov. 10, 2008); *In re Movie Gallery, Inc.*, No. 07-33849 (DOT) (Bankr. E.D. Va. Nov. 17, 2007); *In re Rowe Furniture, Inc.*, No. 06-11143 (RGM) (Bankr. E.D. Va. Oct. 23, 2006); *In re Rowe Cos.*, No. 06-11142 (SSM) (Bankr. E.D. Va. Oct. 23, 2006); *In re Storehouse, Inc.*, No. 06-11144 (BFK) (Bankr. E.D. Va. Oct. 23, 2006).⁵

The Requirements of Bankruptcy Rule 6003 are Satisfied

25. Pursuant to Bankruptcy Rule 6003, the Court may grant relief regarding a motion to pay all or part of a prepetition claim within 21 days after the Petition Date if the relief is

⁵ Because of the voluminous nature of the orders cited herein, such orders are not attached to this motion. Copies of these orders are available upon request of the Debtors’ proposed counsel.

necessary to avoid immediate and irreparable harm. Immediate and irreparable harm exists where the absence of relief would impair the debtor's ability to reorganize or threaten the debtor's future as a going concern. *See In re Ames Dep't Stores, Inc.*, 115 B.R. 34, 36 n.2 (Bankr. S.D.N.Y. 1990) (discussing the elements of "immediate and irreparable harm" in relation to Bankruptcy Rule 4001).

26. As described above, the Debtors believe any interruption of utility services could seriously jeopardize the Debtors' reorganization efforts and, ultimately, their value and creditor recoveries. Accordingly, the Debtors submit they have satisfied Bankruptcy Rule 6003 to support payment of the Adequate Assurance Deposit.

Waiver of Bankruptcy Rule 6004(a) and 6004(h)

27. To implement the foregoing successfully, the Debtors seek a waiver of the notice requirements under Bankruptcy Rule 6004(a) and the 14-day stay of an order authorizing the use, sale, or lease of property under Bankruptcy Rule 6004(h).

Waiver of Memorandum of Points and Authorities

28. The Debtors respectfully request that the Court treat this motion as a written memorandum of points and authorities or waive any requirement that this motion be accompanied by a written memorandum of points and authorities as described in Local Bankruptcy Rule 9013-1(G).

The Debtors' Reservation of Rights

29. Nothing contained herein is intended or should be construed as an admission of the validity of any claim against the Debtors, a waiver of the Debtors' rights to dispute any claim, or an approval or assumption of any agreement, contract, or lease under section 365 of the Bankruptcy Code. The Debtors expressly reserve their right to contest any invoice or claim related to the relief requested herein in accordance with applicable non-bankruptcy law.

Likewise, if the Court grants the relief sought herein, any deposit made pursuant to the Court's order is not intended and should not be construed as an admission as to the validity of any claim or a waiver of the Debtors' rights to dispute such claim subsequently.

Notice

30. The Debtors have provided notice of this motion to the following parties or, in lieu thereof, to their counsel, if known: (a) the Office of the U.S. Trustee for the Eastern District of Virginia; (b) the entities listed on the consolidated list of creditors holding the thirty largest unsecured claims; (c) the agent for the Debtors' proposed debtor-in-possession financing facility; (d) the agent for the Debtors' prepetition first lien credit facility; (e) the ad hoc group of first lien lenders; (f) the agent for the Debtors' prepetition second lien credit facility; (g) the ad hoc group of second lien lenders; (h) any party that may have a particular interest in this motion; and (i) any party that has requested notice pursuant to Bankruptcy Rule 2002. In light of the nature of the relief requested herein, the Debtors respectfully submit that no further notice is necessary.

No Prior Request

31. No prior request for the relief sought in this motion has been made to this or any other court.

[Remainder of Page Intentionally Left Blank]

WHEREFORE, the Debtors respectfully request that the Court enter the Order, substantially in the form attached hereto as **Exhibit A**, granting the relief requested herein and granting such other relief as is just and proper.

set forth in the Motion; and upon consideration of the First Day Declaration; and the Court having found that it has jurisdiction over this matter pursuant to 28 U.S.C. §§ 157 and 1334; and the Court having found that this is a core proceeding pursuant to 28 U.S.C. § 157(b)(2); and the Court having found that venue of this proceeding and the Motion in this district is proper pursuant to 28 U.S.C. §§ 1408 and 1409; and the Court having found that the relief requested in the Motion is in the best interests of the Debtors' estates, their creditors, and other parties in interest; and the Debtors having provided appropriate notice of the Motion and the opportunity for a hearing on the Motion under the circumstances; and the Court having reviewed the Motion and having heard the statements in support of the relief requested therein at a hearing before the Court (the "Hearing"); and the Court having determined that the legal and factual bases set forth in the Motion and at the Hearing establish just cause for the relief granted herein; and upon all of the proceedings had before the Court; and any objections to the relief requested herein having been withdrawn or overruled on the merits; and after due deliberation and sufficient cause appearing therefor, it is HEREBY ORDERED THAT:

1. The Motion is granted as set forth herein.
2. The relief provided in this Order is being granted on an interim basis, and to the extent no objection is filed within fourteen days of the date of entry of this Order, this Order shall automatically become final and non-appealable without further order of the Court. Any objections must be served in accordance with the Bankruptcy Rules and the Local Bankruptcy Rules, except as may be provided by the Court pursuant to any order entered in the chapter 11 cases or otherwise.

3. To the extent an objection is filed in accordance herewith, a final hearing on the Motion shall be held before the Court on _____, 2012, at __:__ .m. (prevailing Eastern Time).

4. All Utility Providers are prohibited from altering, refusing, or discontinuing utility services to the Debtors on account of any unpaid prepetition charges or the commencement of the chapter 11 cases.

5. All Utility Providers are prohibited from requiring additional adequate assurance of payment other than pursuant to the Adequate Assurance Procedures described herein.

6. The Debtors shall deposit the Adequate Assurance Deposit into the Adequate Assurance Deposit Account as provided in the Motion within three business days following entry of this Order. The unapplied portion of any Utility Provider's respective Adequate Assurance Deposit shall be returned to the Debtors on the earlier of: (a) the Debtors' termination of services from such provider; or (b) the conclusion of the Debtors' chapter 11 cases.

7. The Adequate Assurance Deposit, together with the Debtors' ability to pay for future utility services in the ordinary course of business, shall constitute adequate assurance of future payment as required by section 366(b) of the Bankruptcy Code.

8. Any Utility Provider that desires to request additional or different adequate assurance of future payment (each, an "Additional Assurance Request") must do so in accordance with the Adequate Assurance Procedures, as follows:

- a. Within three business days after entry of this Order, the Debtors will mail a copy of this Order to the Utility Providers on the Utility Service List.
- b. If a Utility Provider is not satisfied with the Proposed Adequate Assurance and seeks additional assurance of payment in the form of deposits, prepayments, or otherwise, such Utility Provider must serve a request (an "Additional Assurance Request") upon: (i) AMF Bowling Worldwide, Inc., 7313 Bell Creek Road, Mechanicsville, Virginia 23111, Attn.: Daniel McCormack (dmccormack@amf.com); (ii) proposed

co-counsel to the Debtors, Kirkland & Ellis LLP, 601 Lexington Avenue, New York, New York 10022, Attn.: Joshua A. Sussberg (joshua.sussberg@kirkland.com), and Kirkland & Ellis LLP, 300 North LaSalle, Chicago, Illinois 60654, Attn.: Jeffrey D. Pawlitz (jeffrey.pawlitz@kirkland.com) and Michael W. Weitz (michael.weitz@kirkland.com); and (iii) proposed co-counsel to the Debtors, McGuireWoods LLP, One James Center, 901 East Cary Street, Richmond, Virginia 23219, Attn.: Sarah B. Boehm (sboehm@mcguirewoods.com) (collectively, the “Notice Parties”).

- c. Any Additional Assurance Request must: (i) be made in writing; (ii) set forth the location for which utility services are provided; (iii) include a summary of the Debtors’ payment history relevant to the affected account(s), including any security deposits; (iv) certify the amount that is equal to two weeks of utility service it provides to the Debtors, calculated as a historical average over the past twelve months; (v) certify that it currently is not paid in advance for its services; and (vi) explain why the Utility Provider believes the Debtors’ Proposed Adequate Assurance is not sufficient adequate assurance of future payment.
- d. Upon the Debtors’ receipt of any Additional Assurance Request at the addresses set forth above, the Debtors shall have twenty-one days from the receipt of such Additional Assurance Request (the “Resolution Period”) to negotiate with such Utility Provider to resolve such Utility Provider’s request for additional assurance of payment.
- e. The Debtors may, in their sole discretion, resolve any Additional Assurance Request by mutual agreement with the Utility Provider and without further notice to or order of the Court, and may, in connection with any such agreement, in their sole discretion, provide a Utility Provider with additional adequate assurance of future payment, including, but not limited to, cash deposits, prepayments, and other forms of security, without further order of the Court if the Debtors believe such additional assurance is reasonable.
- f. If the Debtors determine that the Additional Assurance Request is not reasonable and are not able to reach an alternative resolution with the Utility Provider during the Resolution Period, the Debtors, during or immediately after the Resolution Period, will request a hearing before the Court at the next regularly scheduled omnibus hearing that is scheduled on a date that is at least 5 business days after the conclusion of the Resolution Period to determine the adequacy of assurances of payment with respect to a particular Utility Provider (the “Determination Hearing”) pursuant to section 366(c)(3) of the Bankruptcy Code.
- g. Pending resolution of any such hearing, the Utility Provider filing such Additional Assurance Request shall be prohibited from altering, refusing,

or discontinuing service to the Debtors on account of unpaid charges for prepetition services or on account of any objections to the Debtors' Proposed Adequate Assurance.

- h. The Proposed Adequate Assurance shall be deemed adequate assurance of payment for any Utility Provider that does not make an Additional Assurance Request.

9. This Order applies to any subsequently identified Utility Provider, regardless of when each Utility Provider was added to the Utility Service List.

10. The Debtors are authorized, in their sole discretion, to amend the Utility Service List, a copy of which is attached hereto as **Exhibit 1**.

11. The Debtors' service of the Motion upon the Utility Service List shall not constitute an admission or concession that such entities are a utility within the meaning of section 366 of the Bankruptcy Code, and the Debtors reserve all rights and defenses with respect thereto.

12. Each of the financial institutions at which the Debtors maintain their accounts relating to the payment of the obligations described in the Motion is directed to honor checks presented for payment of obligations described in the Motion and all fund transfer requests made by the Debtors related thereto to the extent that sufficient funds are on deposit in such amounts.

13. The Debtors are authorized to issue postpetition checks, or to effect postpetition fund transfer requests, in replacement of any checks or fund transfer requests in respect of the unsecured claims that are dishonored or rejected.

14. Each of the financial institutions at which the Debtors maintain their accounts relating to the payment of the obligations described in the Motion is directed to honor checks presented for payment of obligations described in the Motion and all fund transfer requests made by the Debtors related thereto to the extent that sufficient funds are on deposit in such amounts.

15. Notwithstanding the relief granted in this Order and any actions taken pursuant to such relief, nothing in this Order shall be deemed: (a) an admission as to the validity of any claim against a Debtor entity; (b) a waiver of the Debtors' right to dispute any claim on any grounds; (c) a promise or requirement to pay any claim; (d) an implication or admission that any particular claim is of a type specified or defined in this Order or the Motion; (e) a request or authorization to assume any agreement, contract, or lease pursuant to section 365 of the Bankruptcy Code; or (f) a waiver of the Debtors' rights under the Bankruptcy Code or any other applicable law.

16. Notwithstanding the relief granted in this Order, any payment made by the Debtors pursuant to the authority granted herein shall be subject to the orders approving entry into debtor-in-possession financing and authorizing the continued use of cash collateral.

17. The requirements set forth in Bankruptcy 6003(b) are satisfied.

18. The requirement under Local Bankruptcy Rule 9013-1(G) to file a memorandum of law in connection with the Motion is hereby waived.

19. Notice of the Motion as provided therein shall be deemed good and sufficient notice as to such Motion and the requirements of Bankruptcy Rule 6004(a) and the Local Bankruptcy Rules are satisfied by such notice.

20. Notwithstanding Bankruptcy Rule 6004(h), the terms and conditions of this Order shall be immediately effective and enforceable upon its entry.

21. All time periods set forth in this Order shall be calculated in accordance with Bankruptcy Rule 9006(a).

22. The Debtors are authorized to take all actions necessary to effectuate the relief granted pursuant to this Order in accordance with the Motion.

23. The Court retains exclusive jurisdiction with respect to all matters arising from or related to the implementation of this Order.
